PROGRAMME OUTCOME

This Higher National Diploma (HND) programme equips learners with advanced creative, technical, and professional skills in Interior Designing, preparing them for careers in residential, commercial, and hospitality interior design industries.

- Apply advanced interior design principles and space planning concepts.
- Develop concept designs, mood boards, and design themes.
- Create interior layouts, furniture plans, and 3D visualizations.
- Use industry-standard software such as AutoCAD, SketchUp, Revit, 3ds Max, or similar tools.
- Select appropriate materials, finishes, lighting, and color schemes.
- Prepare technical drawings, working drawings, and presentations.
- Understand building regulations, ergonomics, and safety standards.
- Manage interior design projects, client requirements, and budgets.
- Coordinate with architects, contractors, and suppliers.
- Demonstrate professional communication, creativity, teamwork, and problem-solving skills.

This practical HND ensures learners can design functional and aesthetically pleasing interior spaces, present professional design solutions, manage projects effectively, and perform confidently in professional and freelance interior design environments.
